**TERMINAL DISCLAIMER**

Commissioner for Patents  
Washington, D.C. 20231

Sir:

Your Petitioners, Romain L. Billiet, and Hanh T. Nguyen, having their principal place of business at Penang, Malaysia (hereinafter represent that they are the owners of the entire right, title, and interest in and to U.S. Patent Application Serial No. 10/078,070, filed 02/11/2002, in the United States Patent and Trademark Office. Further, your Petitioners represent that they are the owners of U.S. Patent Application No. 10/101,033, filed 03/11/2002.

Your Petitioners, Romain L. Billiet and Hanh T. Nguyen, hereby disclaim the terminal part of the term of any patent granted on U.S. Patent Application 10/078,070 which would extend beyond the full statutory term, as shortened by any terminal disclaimer, of any patent granted on U.S. Patent Application 10/101,033, and hereby agree that any patent so granted on U.S. Patent Application 10/078,070 shall be enforceable only for and during such period that the legal title to any patent granted on U.S. Patent Application 10/101,033 shall be the same as the legal title to any patent

granted on U.S. Patent Application 10/078,070, this agreement to run with any patent granted on U.S. Patent Application 10/078,070 and to be binding upon the grantees, their successors or assigns.

In making the above disclaimer, Petitioners do not disclaim any terminal part of any patent granted on U.S. Patent Application 10/078,070, prior to the full statutory term of any patent granted on U.S. Patent Application 10/078,070 as defined in 35 U.S.C. §§154-156 and 173, in the event that any patent granted on U.S. Patent Application 10/101,033 expires for failure to pay a maintenance fee, is held unenforceable or is found invalid in a final judgment by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR §1.321(a), has all claims canceled by a reexamination certificate or as a result of an interference proceeding, or is otherwise not deemed to provide the rights conveyed by 35 USC §154, prior to the full statutory term of any patent granted on U.S. Patent Application 10/101,033 as defined in 35 USC §§154-156 and 173, except for the separation of legal title stated above. Further, Petitioners do not disclaim any terminal part of a patent granted on U.S. Patent Application 10/078,070 that would extend beyond the present termination of any patent granted on U.S. Patent Application 10/101,033, in the event that such present term is extended by virtue of compliance with the conditions for term extension of any present or future patent term extension provisions of the patent law, including but not limited to 35 U.S.C. §§155, 155A or 156, and without waiving Petitioners' right to extend the term of a patent granted on U.S. Patent Application 10/078,070 to the extent provided by law.

The undersigned certify to the best of their knowledge and belief, legal title to U.S. Patent Application 10/078,070 and any patent granted on U.S. Patent Application 10/101,033 rests with Petitioners, Romain L. Billiet, and Hanh T. Nguyen.

The undersigned declare that all statements made herein of their own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-identified application or any patent issuing therefrom.
